

2022 SUMMER CAMP REGISTRATION FORM

Encanto Join us at the magical house in Encanto for a week of fun! Dancing through super strength with the power to heal will give all the little dancers lots of magic. This exciting dance camp is for children who love to play, pretend, sing, and dance. Our little dancers will explore their artistic side creating fun, magical dances while learning proper dance techniques. Each day our little dancers will create stories through movement, dialogue, and songs to prepare for the grand journey to Encanto! Come play, sing, and dance with us! On the last day of camp, the dancers will twirl through the mountains of Columbia for a magical celebration. No prior dance experience is required. Bring a nut-free snack & drink each day.

Tik Tok Challenge! Who's down for the ultimate Tik Tok dance challenge! Dancers will learn some of the most popular Tik Tok dances, mixed with fun hip hop tricks and skills. All our dance moves will allow students to learn and create, while exploring their imagination and strengthening their technique through dance! Enjoy this week long interactive dance camp filled with music, dance, games, songs, and lots of surprises! Children will have fun dancing together in a friendly competition! We will make our way up to the final stage for our Tik Tok dance challenge on the last day of camp! No prior dance experience is required. Bring a nut-free snack & drink each day. We will not be posting on or watching social media.

Dance Workshop (Level-I) Fast paced and for all levels from beginner to elite, this workshop will expose dancers to all genres of dance. Dancers focus on technique training and team bonding methods. Our camp approach is well rounded and a great balance of learning and fun! (Level-II) Designed for all levels, this camp is intended to refine & introduce dancers to a variety of center floor and moving turns, leaps and jumps used in all genres of dance. Enrichment activities in the workshop are designed to promote creative rhythmic movements. Workshop promotes body control, balance, and endorses well-being.
